Instructions: This letter must accompany the Income Eligibility Application. Dear

Parent / Guardian or CACFP Participant:

_____ Participates in the Child and Adult Care Food Program (CACFP) administered by the United States
Name of Sponsor/Facility / Center /

Department of Agriculture. Please help us comply with the requirements of the CACFP by completing, signing, and returning the attached statement as soon as possible. This information is necessary to decide the level of CACFP reimbursement your center is eligible to receive for the meals served to children and/or adult participants in our program. This form will be treated as confidential information. All participants in our program receive their meals free of charge, but the eligibility category determination affects the federal funding we receive. Foster Children: A foster child enrolled in our program, which is the legal responsibility of a welfare agency or court, may be certified as eligible for free meals regardless of the household income. Please refer to the instructions on how to complete the Income Eligibility Application form.

SNAP - Supplemental Nutrition Assistance Program (formerly the Food Stamp Program): If your household is currently receiving benefits under the Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR) and your child is enrolled in a childcare center you need only to list the case number sign and date the form.

If your household is receiving benefits under the Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), Medicaid, or Food Distribution Program on Indian Reservations (FDPIR) and an adult in your home is enrolled in an Adult Daycare Center; then you need only to list their case number sign and date the form. Otherwise, an adult household member must complete the form and disclose the total current household income by source and the names of all household members. The person completing the form must sign, provide a social security number, and date when completed.

The income you report must be last month's total gross household income listed by source for each household member. If last month's income does not accurately reflect your circumstances, you may provide your annual income or use last year's income if no significant changes have occurred. If your household's income is equal to or less than the amounts indicated for your household's size on the chart below, your provider may qualify for maximum reimbursement rates. The Department of Agriculture defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., sharing living expenses).

Not required to be completed if case# is provided above.

List all household members. A household is a group of related or unrelated individuals who are living as one economic unit (i.e., sharing living expenses).

Provide the most current income by source for all household members. This can be based on the most recent information the month prior to completing

the application. Reported income needs to be reported on the same. The income reported on the application must include all income before taxes and

before other deductions.

A foster child is defined as a ward of the court or welfare agency. Only the foster child’s “personal use” income is listed.

Personal use income includes:

- Funds that are specified by the welfare agency as being for the personal use of the child. (If no funds are specified, the funds received from the welfare agency are not to be considered as income. Record “0” on personal income.)
- Money received from any source. This includes, but is not limited to, funds received from trust accounts, from the child’s family, and earnings from the child’s employment other than occasional or part-time jobs.

The adult family member completing the application must sign and date the application.

If the enrolled participant is not a recipient of benefits and has not provided a case number, the adult family member signing the application must provide a social security number.

If you do not have a social security number, check the "box" provided. Privacy Act Statement:

This explains how we will use the information you give us. The Richard B.
